**WELCOME**

Established for over 25years, Procast has gained an enviable reputation for the specialist

Production of high quality ferrous and non-ferrous nameplates, signs, engineering components and decorative castings.

Production techniques range from traditional sand casting to fabrication and, more recently, computer controlled milling. The castings may be reproduction or new commissions and with Procast offering facilities that include pattern making, polishing and refurbishment, most projects can be handled in-house from design stage to finished product.

The Company's specialist core products cater primarily for the transport industry; road, rail and water - from individuals to major rail franchise operators

**ALL PRICES INCLUDE VAT @ 20% Terms payment with order. Vat no. 829 1853 04**  
**Cheques and Postal Orders made payable to PROCAST**  
**Prices correct at time of publication 4/01/2011**

**Payment:**

Terms: full payment with orders totaling less than £500 orders of £500 + a 50% deposit is payable at time of order with the balance due before dispatch.

We accept Visa, Switch, MasterCard and Maestro cards or cheques made payable to **PROCAST FOUNDRY LTD.**  
 Credit card orders can be accepted by telephone, Fax or in Person  
 Please **DO NOT** send credit card details via email.

Telephone and E-mail, (SALES@PROCAST.CO.UK), enquiries welcome.

**AS CAST SERVICE**

Please note the unique service we offer. All items listed are available as unfinished castings or "as cast". If you are willing to spend the time removing cast marks plus painting and polishing the plates yourself there is a substantial saving to be made against the "finished" price. Advice is freely available if you are unsure about what is involved in "finishing" a casting.

**Prices in Brackets are the "As Cast" Prices**

**Railway Station Cast "Seat back" Nameplates**

**Headboards**

These are cast in solid aluminum as close as possible to the original specifications, with polished border and letter faces. In some cases there were two or three different styles of headboard for the same train over a period of years and if there is a particular style required please send a large SAE and an outline of the headboard style will be sent to you. Also please specify the background colour required, e.g. red, black, blue, etc.

Normally the boards are cast flat to facilitate fixing to a wall but the British Railways lamp bracket can be cast on at no extra cost. Headboards can also be made to special order for Railway Specials and Preservation societies. Please enquire for a quotation.
